No Future Appointments Scheduled

INFORMATION FOR PATIENTS

If you have any questions about your medications, such as how and when to take your medications, please ring the patient medicines helpline on 01865 228906, this service is available Monday to Friday 9am to 5pm. The patient medicines helpline will not be able to answer questions about your illness in general or other people's medicines without their permission.

After discharge there is a risk of a blood clot. See a doctor or attend A&E immediately if you have **ANY NEW** redness, pain or swelling in your legs; difficulty breathing, feeling faint, coughing up blood, or chest pain. Further information at <http://www.thrombosis-charity.org.uk/home.php>
